CONVERTING PILOTS

OTHER QUALIFICATIONS TO RAAus

Conversion to a RAAus RPC can be made from Australian or overseas pilot licences, including conversions from other sport organisations including HGFA, ASRA & GFA.

In order to convert to a Recreational Pilot Certificate you must:

- Be a financial member of Recreational Aviation Australia
- Meet the minimum flight experience requirements for the issue of a RAAus RPC
- Complete a minimum of **5 hours flight time**, which includes
 - 1 hour PIC, in an RAAus registered aircraft, or we will recognise previous experience if you have already completed 5 hours flight time, including 1 hour PIC in an aircraft capable of being registered with RAAus (<600KG MTOW).
- Complete the RAAus converting pilot exam with a pass mark of 80%
- Complete a flight review with the CFI

Approximate costs – prices subject to change

RAAus full adult membership (Annually)	\$ 285
Tecnam Dual	\$ 259/Hr
Tecnam Solo	\$ 229/Hr (Supervised) \$189/Hr (Private Hire)
Briefings (approx.)	\$ 60/Hr
Application for Conversion to RAAus	\$ 49
